

## HOSPITALITY DESIGN

### FUKU SUSHI TUCSON, ARIZONA

Located on University Boulevard just west of the University of Arizona's Main Gate, Fuku Sushi is a conversion of a previous bakery and coffee house. Although much of the kitchen equipment was reutilized, the 1805 S.F. space offers three new chef stations and a full service bar. In addition, it presents a "new image" that is lively and contemporary. This was achieved by the use of vivid colors, Japanese elements and water like features. This modern "hangout" spot is sure to appeal to UA students and catch the eye of passersby.
